# Talk & Treats Death Café

**W**e create a safe and confidential space to share your thoughts and ideas on death and dying. Meet us at **Gladish Community & Cultural Center** in Pullman, WA, on Friday, June 23, 2017, from 6:30-8:30 pm.

**This is not a grief support group**, or a counseling session. It is a group-directed, agenda-free forum to discuss issues around death you may not be able to talk about anywhere else.

**We provide coffee, tea, and treats.** You bring your interest and inquisitiveness to learn from others. This is a complimentary service with no fees.

**Registration is required.** Please register at:
