Taco Bar Reception and Gathering

Serenity House is a non-profit home to support and focus on the unique needs of those in the last days of their life, and their families. The desire for deep connection, meaning, and purpose are honored. Families are supported in sitting beside their loved one, sharing their stories, and expressing their hellos and good byes. Staff and volunteers are trained specifically in end-of-life care.

Come enjoy a dinner and support Friends of Hospice Serenity House. Serenity House has a wish list of items needed for their Hospice house. These items will be available to view and purchase for donation at the Taco Bar reception.
